Object of the declaration

Electrical motor and control system including necessary cables of the Honey extractors made by our company. comply with the essential health and safety requirements of the following EU. Directives

Machinery Directive 2006/42/EC

If the installer assembles and connects the low voltage-powered extractors according to our instructions and in a professional manner, the product meets the essential safety requirements of the Machinery Directive 2006/42/EC.

Electrical Equipment Directive 2014/55/EU (Low voltage Directive).

Since the extractor is powered by 12/24-volt batteries or transformers, the equipment is not covered by CE marking and declaration of conformity in accordance with this directive.

Electromagnetic Compatibility Directive EMC Directive 2014/30/EU

The Honey extractor has been tested by an accredited company in Sweden. The test was conducted by an EMC-lab Kemet Electronics AB (now under a new name: Dectron 2.0 AB). The product passed the immunity tests according to EN 61000-4-2, 4-3, 4-4, 4-5, 4-6, 4-8, & 4-11 and the emission tests according to EN 61000-6-3:2007, A1:2011. the product meets the essential requirements of the EMC Directive 2014/30/EU.

Signed for and on behalf of "ABB-100" Ltd, Dergachi 2025-03-11,

Volodymyr Rudenko
